PROFESSIONAL SUMMARY

I will be moving to Berlin with a blue card (permitted to work) at March.I am a Software Developer following a 12 years career as an architect. My experience in the construction industry instilled in me strong interpersonal , customer service skills and using different Technology solutions with multidisciplinary coordination.

In my personal life, I am early adapter, and fast learner with strong time management and multitasking skills. I am a goal-oriented person, that loves challenges. I have highly motivated strong problem-solving and strategizing skills, which I use to successfully accomplish these goals.

Technologies: Java | Spring-Boot|Spring-Cloud|JavaScript | HTML | CSS | MVC | SQL | postgreSQL |MongoDB | React | Next.js | Git | GitHub
